Welcome to the ReelCount Bot! 🎉

This bot helps you track the time you spend watching reels, stories, and posts on social media.

How it works:
- Use the /enter_time command to log the time you spent today (in HH:MM format).
- Use /weekly_report to see a summary of your reel-watching activity from Sunday to Monday.
- Use /monthly_report to see the total reels watched each week within the current month.

Let's get started! Enter /enter_time to begin tracking your reel count today.
